Game copy

Primary Title: **Rare Roses**

Primary Copy: The town of Bloomsville is known for its rare rose shops and gardens. However, it is not all rosy. The competition is tight, and the town is full of florists flogging their fanciful floral wares. Are you up to the task?

Secondary Title: Family fun buy roses and using them before they die to fill Rare Rose orders.

Secondary Copy: Rare Roses is great for people new to hobby board gaming, and experiences players alike. Multiple victory strategies will provide hours of fun for many different types of players. Each time you play the outcome will be slightly different based on the Rose Buds you draw, the Order Cards you play with, and how they come up. So you can play again and again.

Game Type: Micro Economic strategy game, negotiation, highly interactive

Game Mechanisms: Shared market, Resource Management, Trade Negotiation

Game Category: Family Game, Light Strategy

Game Theme: Floral Market, Roses

Testimonials

Tony Forsyth

The fact that roses age and die is a clever mechanic, and you feel the loss every time you need to trash older roses...
