Defense Cards

## Setup

Shuffle up the deck and deal each player 3 cards face down. This is their Hand. Once all the players have their Hands, put the rest of the deck in the middle of the table. The youngest player at the table takes their turn first. Play then continues with the next player on the left and continuing clockwise around the table.

## Starting The Game

**Turns:** A turn consists of these steps:

*Step 1: Draw* - Draw as many cards as you need until you reach your maximum hand size of 4 cards. If the draw pile is empty, shuffle the discard pile and it becomes the draw pile.

*Step 2: Play A Card* - You must play one card per turn. You can choose to work on your Ass by playing a Piece O' Ass face up in front of you or you can slow other players down by playing Red cards such as Kick Your Ass.

*Step 3: Discard* - Discard down to 4 or fewer cards. You may Discard as many cards as you like into the Discard pile.

## Winning The Game

The first player to complete their Ass wins. To complete your Ass you need to have in play in front of you, one Head, Front Legs, Middle, Back Legs and a Tail. If you have those five cards in play in front of you, you win.

## Defensive Cards

If someone plays a Red card on your Ass such as Kick Your Ass you can play a Green card such as Get Off My Ass to immediately to cancel the Red card!
